Arvin Ramdhan Fakhrudin

Co-Lead Division Creative & Media at Google Developer Groups On
Campus Widyatama | IT Support | Front-End developer
Bandung, Jawa Barat, Indonesia

Ringkasan

I am a vocational high school graduate with a passion for IT support
and troubleshooting. I enjoy helping people solve technical issues
and ensuring that systems run smoothly. While I may not be an
expert yet, I am eager to learn and improve my skills in hardware
and software troubleshooting, network configuration, and system
maintenance.

During my studies, I gained basic knowledge of operating systems
like Windows and Linux, as well as fundamental networking
concepts. I am also familiar with handling common software issues
and assisting users with technical problems.

I am a problem-solver who enjoys working with technology and
learning new things. I am looking for opportunities to grow in the IT
field, gain hands-on experience, and contribute to a team that values
continuous learning.

Key Skills:
✔ Basic IT Support & Troubleshooting
✔ Windows & Linux Fundamentals
✔ Network Basics (TCP/IP, DNS)
✔ End-User Assistance
✔ Willingness to Learn & Adapt

I'm open to opportunities in IT support and eager to develop my skills
further.

Pengalaman

GDG on Campus Widyatama University
1 tahun 1 bulan

Co-Lead Division Creative & Media
November 2024 - Oktober 2025 (1 tahun)

As the Co-Lead of the Creative and Media Division at GDGOC Widyatama, I was responsible for managing and directing creative strategies and media production to support various community activities. My key responsibilities included:

- Coordinating the creative team in producing graphic designs, videos, and other visual content using Canva for event promotions and community activities.

- Developing visual concepts aligned with the community's identity and event themes.

- Collaborating with other divisions to ensure promotional materials effectively reached the target audience.

- Overseeing the content production process from planning to publication across multiple digital platforms.

- Encouraging innovation in visual marketing strategies to enhance the community's visibility on campus and to the public.

Through this role, I successfully strengthened the community's visual identity and increased participation in various GDGOC Widyatama events.

Creative And Media
Oktober 2024 - Oktober 2025 (1 tahun 1 bulan)
Bandung, Jawa Barat, Indonesia

I was selected to be part of the core team at Google DSC with a role in the field of Photo & Videographer
I am responsible for the following jobs :

-Producing and curating engaging and informative visual content for Instagram.
-Creating creative designs for Instagram Stories to increase engagement with audiences.
-Capturing key moments during offline events through professional photography.

Institut Teknologi Bandung (ITB)
3 bulan

IT Support
Agustus 2023 - Oktober 2023 (3 bulan)
Bandung, Jawa Barat, Indonesia

Some of my main responsibilities include:
-Provide technical support to employees for hardware and software issues.
-Set up and maintain computer systems, including software installation and updates.
-Helps in troubleshooting network problems and ensuring a stable internet connection.
-Installing and configuring new devices and repairing damaged equipment.
-Provide users with basic training on how to use the device and newly installed applications.

This experience not only enriched my technical knowledge but also improved my problem-solving and communication skills in a professional environment

Librarian
Agustus 2023 - Oktober 2023 (3 bulan)
Bandung, Jawa Barat, Indonesia

As a librarian, I gained hands-on experience in library operations and academic information services. I worked closely with librarians and staff to support daily activities and improve students' access to learning resources.

My main responsibilities included:

Assisting in cataloging and organizing books, journals, and digital materials.

Supporting students and lecturers in locating references and using library databases.

Helping maintain the library circulation system and handling book returns and loans.

Participating in data entry, record updates, and library material inventory.

Assisting in literacy and outreach programs to promote library use among students.

This job allowed me to understand how academic libraries operate and strengthened my skills in information management, teamwork, and customer service.
